

Foreboding Foretelling at Ficklehouse Felling is Finally Finished and Finessed

It's a classic, manor house, mystery-within-a-locked-room-mystery for Anty Boisjoly, when a death is foretold by a mystic that Anty's sure is a charlatan. But when an impossible murder follows the foretelling, Anty and his old ally and nemesis Inspector Wittersham must sift the connivance, contrivance, misguidance, and reliance on pseudoscience of the mad manor and its oddball inhabitants before the killer strikes again.

Foreboding Foretelling at Ficklehouse Felling is longer and more involved and has a record number of red herrings and at least two more twists than usual, and there's a very cheeky nod to those who've compared Anty Boisjoly mysteries to the board game Clue.

Speaking of Clue, there's a cryptic clue to the how and who of *Foreboding Foretelling* at the bottom of this newsletter, after the cartoon...

Foreboding Foretelling at Ficklehouse Felling is available from November 4th (presales might be sooner than that, but only readers of this newsletter are getting this link).

Bonus news!

It's rare for the Reliably Intermittent Anty Boisjoly Newsletter to announce anything other than a book release but this one, exceptionally, is announcing two! The

audiobook of *Reckoning at the Riviera Royale* has finally been released, and can be found right now on Audible, Apple, Chirp...

This fifth audiobook marks the beginning of a closer collaboration between author and narrator, celebrated with an eccentric little bonus feature, so stay tuned after listening for *The Curious Encounter* at a London Counter.
